## ❖ Login as Admin

- Open the CCTNS application.
- Log in using the **Admin Puducherry**.

---

## ❖ Check if User ID Already Exists

- Go to the **"Modify User Details"** section in the Admin.
- Search for the user ID: `POL3820`.
- If the ID **already exists**, verify the user details.

---

## ❖ Create New User (If Not Already Created)

- If the user ID `POL3820` does **not exist**, follow these steps to create a new user:

---

## ❖ Navigate to Create User

- In the Admin, click on **"Create New User ID"**.

---

## ❖ Enter User Details

- Fill in the full details of the person to be assigned the user ID `POL3820`, including:
  - Full Name
  - Designation
  - Contact Details
  - Email ID (if required)
  - Employee Code, etc.

---

### ❖ Assign to Police Station

- From the dropdown, select the appropriate **Police Station** to which this user belongs.

---

### ❖ Assign Role

- Select the appropriate **role** for the user (e.g., Station House Officer, Investigation officer, Assigned beat Officer.)
- Click **"Add Role"**.
- And select the role in base office.

---

### ❖ Submit the User Creation Form

- After reviewing all entered information, click **"Submit"** to create the user account.
