CCTNS Client Installation

Follow the steps below to install the CCTNS CAS 4.5 Client application successfully.

---

1. Check and Configure IP Settings

- Open the **Network Settings**.
- Verify the **IP address**.
- Set the IP configuration to **Automatic (DHCP)** if not already set.

---

2. Configure Windows Firewall

- Go to **Control Panel** > **Windows Defender Firewall**.
- Make sure the **Firewall is turned off** for both **Private** and **Public** networks.

---

3. Copy Application Files

- Locate the **CCTNS CAS 4.5 application** folder.
- Copy the entire folder and paste it in the **D:\ drive**.
- Then, copy and paste the same folder into:
  - **C:\Program Files**.

---

4. Install Java

Open the **CCTNS CAS 4.5** folder.

- You will see three subfolders:

    - **CAS4.5**
    - **Java**

- **Install Java:**

- Go to the **Java** folder.
- Locate the installer: `jdk-6u23-windows-i586.exe`.
- Double-click to start the installation.
- Follow the on-screen instructions (click **Next** through all steps).
- Complete the installation.

---

5. Configure JNLP File

- Go back to the **CAS4.5** folder.
- Open the subfolder: **JWS_Launch_Files**.
- Locate the file: `Offline_Application.jnlp`.

a. Edit the JNLP File:

- Right-click on `Offline_Application.jnlp` and select **Edit with Notepad**.
- In the file, find the section where `localhost` is mentioned.
- Replace `localhost` with:
- `cctnspolice.py.gov.in`
- Save the changes and close the file.

---

6. Launch the Client Application

- Double-click the modified `Offline_Application.jnlp` file.
- The application will begin downloading and installing.
- Once completed, the client application will be ready.

---

7. Create Desktop Shortcut

- Right-click on the installed application.
- Select **Send to > Desktop (create shortcut)**.
- Rename the shortcut to:
- `CCTNS Client`
- Right-click the shortcut, go to **Properties > Change Icon**, and update the logo if required.

□ Installation Complete

The **CCTNS Client application** is now installed and ready to use.
