CRI-MAC Login Issue

Ticket Number	CCTNS 2504001
Date & Time of Call Received	01-04-2025
Name Of Police station	Muthialpet
Caller Name	Murali
Issue	Sync
Name of the Help Desk Resource	Vignesh
Status	Completed
Resolution , Date and Time	01-04-2025

1. Check Offline Data Status

- Go to the **offline application**.
- Verify if the GD and FIR entries are properly **saved and marked for sync**.
- Confirm that the **status = "Pending for Sync"** or similar.

2. Initiate Manual Sync

- Trigger the **"Sync Offline GD/FIR"** process (if there's a sync button or script).
  - This usually pushes offline records to the central server.
- Wait for confirmation that the sync completed successfully (no errors in logs).

3. Check Sync Logs

- Review the **sync logs** for any errors — common issues include:
  - Network connectivity problems.
  - Authentication/token errors.
  - Data format or validation errors.
  - Duplicate entry or missing reference ID.

4. Verify on Online Portal

- Log in to the **online portal**.
- Navigate to the GD/FIR section.
- Search using:
  - GD number / FIR number.
  - Date range.
  - Station code or user ID.

✅If sync worked: The GD and FIR entries should now appear online.
