Subject: Pilot Study for Information Systems Audit of Crime and Criminal Tracking Network and Systems (CCTNS) – UT of Puducherry – Reg.

DIGP
SSP HQ
SSP/Tr/CCTNS
31/01

Madam,

This office proposes to include **Information Systems Audit of Crime and Criminal Tracking Network and Systems (CCTNS)** in the **Annual Audit Plan for the year 2026-27**.

2. In this connection, a **pilot study** is proposed to be conducted from **3 February 2026 to 14 February 2026** to assess data availability, system controls, module utilisation, and ICJS integration status, and to finalise audit methodology and scope.
3. The audit period proposed is from go-live (2013) to 31 March 2026, with detailed data analysis for **FYs 2023-24 and 2024-25**.
4. To facilitate the pilot study, the documents, records, and database extracts listed in **Annexure** may please be kept ready and provided to the audit team on or before **3rd February 2026**. CCTNS database extracts may be provided through secure encrypted transfer.
5. You are requested to nominate nodal officers at technical and finance levels for coordination with the audit team.
6. The audit team will also conduct field verification at **two selected Police Stations** during the pilot study period, in coordination with the nodal officer.
7. All information obtained during the pilot study will be handled with **strict confidentiality** and used solely for audit purposes.
8. Cooperation of the Police Department is solicited for timely completion of the pilot study.

Yours faithfully,

Digitally signed by P. Sugendran

Annexure

List of Documents, Records and Database Extracts Required for Pilot Study on Information Systems Audit of CCTNS

A. Policy, Governance and Administrative Records

1. Government orders, administrative approvals, and sanction orders relating to implementation of CCTNS and ICJS in UT of Puducherry
2. Puducherry Police Manual (relevant chapters relating to FIR, investigation, General Diary, and use of CCTNS)
3. State Apex Committee (SAC) / State Empowered Committee (SEC) meeting minutes relating to CCTNS / ICJS (FYs 2023-24 and 2024-25)
4. Standard Operating Procedures (SOPs) / User manuals issued for CCTNS usage at Police Station and supervisory levels
5. Circulars / instructions issued by SCRB / Police Headquarters on CCTNS data entry, supervision, and monitoring

B. Technical and Infrastructure Documents

6. CCTNS system architecture diagram (application, database, network, and connectivity)
7. Details of hosting environment (State Data Centre / Cloud / Hybrid)
8. Server inventory with specifications (application servers, database servers, storage)
9. Network security architecture (firewalls, VPN, access gateways)
10. Backup, archival, and disaster recovery policy and procedures

C. Information Security and Access Control

11. C-DAC Information Security Audit Reports (Level-1 and Level-2) along with compliance / remediation status
12. User access control policy, role definitions, and privilege matrix
13. Incident management and log monitoring procedures, if any

D. Financial Records

14. Year-wise details of funds received from Government of India / UT Government for CCTNS and ICJS (2013-14 to 2024-25)
15. Utilisation Certificates submitted to Government of India
16. Major procurement records (hardware, software, networking, services)
17. Asset registers relating to CCTNS infrastructure

E. Data Dump / (Database Extracts for pilot study)(FYs 2023-24 and 2024-25)

(To be provided in CSV / Excel format through secure encrypted transfer)

18. **FIR Master Table** – FIR number, Police Station code, date & time of information received, date & time of FIR registration, sections of law, crime head, Investigating Officer details
19. **General Diary (GD) Table** – GD entry number, date, time, Police Station code, linked FIR (where applicable)

20. **Investigation Module Data (IIF-2 to IIF-7)** – arrests, property seizure, Malkhana linkage, charge sheets, court disposal details
21. **User Master Table** – user ID, name, designation, Police Station / unit, assigned role, account status, last login date
22. **Citizen Portal Transactions** – complaints, service requests, submission date, disposal date, status (last 12 months)
23. **Audit / Activity Logs** – critical transactions such as FIR creation/modification, user role changes, data exports

(Personally identifiable information, if any, may be masked as per policy or provided under confidentiality protocol.)

F. Manual Records (for Reconciliation)

24. Copies of General Diary and FIR registers (manual), if maintained, from **two selected Police Stations** for recent three months
25. Any parallel manual records maintained in addition to CCTNS

G. Coordination

26. Details of nominated **State-level, Technical, and Finance Nodal Officers** for coordination with audit team

---

Note:
Detailed technical specifications regarding database field names, file formats, naming conventions, and secure data transfer mechanism will be communicated separately to the nominated technical nodal officer.

Asst. Audit Officer/DADA Cell
Branch Office, Puducherry.
